- Harappan Civilisation forms an important landmark in the prehistory of the Indian Sub-continent. The civilisation offers an excellent example to the mordern world in various ways

① Town Planning → IVC people were having expertise in Town Planning, like grid system, citadel etc. In todays context still it appears to be perfect to have grid system. — Modern towns Chandigarh Gandhinagar

② Agricultural Practises → During IVC farmers mostly reside near river banks for irrigation facilities and fertile soil. Today also most of the agriculture is concentered near rivers. eg- Punjab, UP etc.

③ Religious Aspect → The IVC people worshiped trees and animals, this tradition isn't breakdown yet as we still worship pipal, cows etc. — Shiv linga

④ State Aspect → Harappan civilisation follows all points of "Arthasastra" at that time and was a well established state. In todays contexts also the 7 points of Arthasastra truely dipicts the mordern state.

(5) Tradition of Domestication → Though IVC people practise agriculture but still Domesticated animals like cow, dog, camel, ass etc. The same tradition is following till now

- Can add Pottery Trade Jewellery etc.

- So from all these points we can say that the culture and tradition of IVC have been preserved without a breakdown to present day.
