Child sex ratio is declining because of foeticide, infanticide, dowry killing, nuclear families and misuse of PNDT.

The need of the hour is the change of social attitude towards women. Dowry, infanticide of girl child, illiteracy among women are required to be fully rooted out. Government has announced "Beti Bachao Beti Padhao" initiative, ~~Sukanya Samriddhi~~ Sukanya Samridhi Yojana, and Mahila Shakti Kendra for protection and empowerment of girl child and empowering rural women. Kiran Mazumdar Shaw, Mary Kom P.V. Sindhu, Deepa Malik and Dipa Karmakar set a good example to parents who still consider girl child a burden. This shows that if given proper opportunity then girls are no less than boys.
