Explain the objectives of "National Centre for Financial Education" (200 words)

The vision of creating a financially aware and empowered India, National Strategy for Financial Education, 2020-25 is launched by the National Centre for Financial Education (NCFE). It is a section 8

(Not for Profit) company. NCFE is promoted by RBI, SEBI, IRDAI and PFRDA. The main objectives of NCFE are as following:-

1) To promote financial education -

Financial education for all sections of the population is a necessity. They should be aware of how to manage the finance and know about schemes launched by govt.

2) To create financial awareness and empowerment -

Training programs, seminars, workshops, discussion forums etc are organized by NCFE for promoting the need to create empowerment among citizens of India.

3) -to prepare financial literature for target based audience -

Different stratas of society need different level of financial knowledge and skills. Designing of curriculum according to the targetted audience is an important task held by NCFE.

Many people have already taking benefits of governmental schemes like APY, PMJDY, MUDRA yojana. In order to inculcate the left-out population who are eligible, the step NCFE is extremely vital for India.
